

FEATURES

Accommodate a large variety of sharps sizes.

Temporary and final closure.

Built-in handles for easy transport (excluding phlebotomy).

Translucent containers and lids help identify fill level.

Nestable to save space and reduce shipping costs.

Horizontal drop on most units maximizes container volume.

Can be autoclaved or incinerated for final disposal.

Multilingual labeling ensures user safety.

PHLEBOTOMY & MULTI-USE SHARPS CONTAINERS

Designed for use in restricted areas such as nurses' stations, med carts, laboratories, ORs and pharmacies. Can be wall-mounted or used freestanding on tabletop or cart.
